

UTS2-3P

USB 2.0

FLASH DRIVE

Main features

- Functional revolving housing
- Durable material with metal shield
- Available capacities: 8-64 GB
- Lifetime warranty

Versatility and functionality are the most important features of UTS2. The durable housing, with revolving metal shield, not only perfectly protects stored data, but also guarantees no hassle since you won't lose the cap. UTS2, as opposed to other products available in the market, is characterized by quality components and lifetime warranty.
