The UEG USB is very classic in its design, which is why it is enduringly popular among promotional gadgets. It was created for users who appreciate the combination of original design and classic look.

It is made of anodised aluminium, thanks to which each colour has a unique depth and the marking looks just perfect!

All GOODRAM USB flash drives are manufactured on the basis of carefully selected components and undergo multi-stage quality tests before they go out into the world, which is why we guarantee users a lifetime warranty.
