We offer custom-shaped silicone USB flash drives, manufactured for special orders. USB flash drives are enclosed in custom-shape silicone housings manufactured based on the customer's design.

This form of USB memory can be a great gift for clients, friends or colleagues. The possibilities are endless, so let your imagination run wild!

All GOODRAM USB flash drives are manufactured on the basis of carefully selected components and undergo multi-stage quality tests before they go out into the world, which is why we guarantee users a lifetime warranty.
