

# UMO2

## FLASH DRIVE

USB 2.0

### Main features

Easy attachment  
 Classic design  
 Intense colours  
 Available capacities: 8, 16, 32, 64 GB  
 Lifetime warranty

UMO2 Flash Drive bears a classic design, that will be enjoyed by everyone who uses flash drives on daily basis. This classic design is balanced with intensely colored housings, which will take a liking to young and original end users.

UMO2 has a connector cap, that can be attached to its end to avoid losing it. Everyone who likes to carry a flash drive with them all the time will enjoy the small perforation at the other end of the housing that enables user to attach it to lanyard or keys.

UMO2 is available in the capacities ranging from 8 to 64 GB. The applied components make it possible to reach read speed up to 20MB/s and write speed up to 5 MB/s.

Like all other GOODRAM USB flash drives, UMO2 is covered by a lifetime warranty.
