

ODD3

USB 3.0

FLASH DRIVE

Main features

- Double interface USB – type A and type C
- Data transfer between the latest devices
- Small casing
- Available capacities: 16, 32, 64 GB
- Lifetime warranty

USB Drive ODD3 allows you to use one USB drive with various desktop and mobile devices. With both USB 3.1 type A and USB type C connectors, ODD3 can help you to move data between desktop computers and laptops with standard USB port and newest ultrabooks, mobile phones and tablets with the versatile USB type C™. It's an ideal way to provide an additional extra storage for your device, when access to cloud is limited or not available.
